DTMC CHORUS GEM SPONSORSHIP 2011-2012

DTMC Gems are an important part of the Chorus! In fact, they are almost as important as the singers themselves. Gems are the individuals that support the Chorus with gifts of money, equipment and even professional services. Their contributions help fund our efforts toward achieving our goals of service to our community and allow us to provide entertainment throughout the year.

All gifts are greatly appreciated and *tax deductible*. Each concert program booklet recognizes DTMC Gems having made donations in the 12 months prior to the concert.
